Weymouth
July 15th
1868?

Dear W. L. Garrison,

We have
at last been able
to make our plans
and I write to
beg that you
will give us all

the pleasure of
seeing you here
on Friday the
17th, to pass the
night. I hope
you will be able
to come by the
train that leaves
Boston at 3.50 —
but if that should
be too early for

you there is a
6 o'clock train.

With my mother's
compliments and
all our kind
regards, I remain,
Ever sincerely yours
Emma Weston
